# ExpoFerretera 2023

## Connecting with the market

The International Trade Fair for Hardware, Plumbing Parts, Paint, and Construction Materials once again takes center stage as the industry's premier meeting venue. Experience the latest innovations and trends, engage in knowledge exchange, and seize the opportunity to establish new contacts and create new business opportunities.

In addition, summoned by CACEBA, ExpoCehap, the locksmith, hardware, automation and protection exhibition, will be held simultaneously within the framework of ExpoFerretera.
